We've sent you this brochure to announce the third Tri-State Regional Bisexual Conference, to be held at Rutgers University on the weekend of February 5-7! So, if you're bisexual or bi-supportive or just interested in topics relating to bisexuality, then we'd love for you to join us for a weekend of workshops, entertainment, speakers, and socializing!

Please take the time to fill out the accompanying registration form. In addition to the questions you find here, please feel free to add any suggestions you might have as to how we might best organize this conference so that it will be productive, educational, and most of all, FUN for everyone involved!

Workshops

All conference attendees are invited to apply to lead a workshop. It can be on any topic at all, ranging from safe sex to queer theory to coming-out issues. Proposals for leading workshops are being accepted until December 15. Please send us a paragraph or two describing the workshop(s) you would like to organize and how many people you expect will attend. Workshops will last about 90 minutes.

Housing

There is affordable lodging available in the New Brunswick and surrounding areas, but should you need it, we will be coordinating community housing between conference attendees and area residents.

Similarly, if you are a Rutgers University student or area resident and would like to put people up for the weekend, please indicate this in the space provided on the registration form. We'll really appreciate it!

We would like to coordinate transportation to the

conference for those who need it. If you would like a ride or can provide one, tell us on your registration form and we'll try to connect you to other people in your area in your area.

Fees*

Conference registration fees are as follows: $45 general fee in advance; $55 after January 31; $35 students and low income in advance. No one will be turned away for lack of funds. Make checks payable to BiNet USA.

If we've left out any major questions or concerns you might have, please let us know by enclosing another page, emailing us at bi99@biconf.org, or calling our voicemail at 732/246-3769.
